***DeColores,
From The Chairperson***

It's Not About You

This is the first line of chapter one of The Purpose Driven Life book. I was sharing with my reunion group the other morning just how much that line has meant to me over the last several months. When we apply those words to the many situations of daily living, we will begin to have a little different perspective on life.

As we begin the Spring walks, we have been told that we must make some changes in the way we do some things. One of those changes is for us to begin serving anonymously or without recognition. I have heard several comments about how difficult this is going to be. But, I ask you to apply those words. It's not about you. One of my favorite songs is "To God Be The Glory" by Andre Crouch. I believe that when we begin to give all of the glory to God then we will see a wonderful and dynamic change take place in our community. Sure we all want to be recognized. I can tell you that I have loved saying that I attended Walk # 1. Wow. Just imagine, Walk # 1. Why, it was great. But you know what, It is not about me. It's all about "GOD".

As your community chairperson, I ask that each of you pray for everyone involved in the spring walks. I know that as we serve together God will pour out His blessings on all that we do in His Name.

DeColores!

**NEW INSTRUCTIONS FOR
APAGE LETTERS**

With the newly adopted guidelines as set forth in the Upper Room Handbook only 12 letters should be put into each Pilgrim's bag. All additional letters will be given to the Pilgrims in a separate bag to take home.

To help the Apage Team determine which letters need to be included in the bag please do the following:

***have the letter writer put "immediate family", "relative" or "friend" on the outside of the envelope preferably in the upper left corner (make sure that the Pilgrim's first and last name is clearly written on each envelope as well)**

***sponsors should decide, of those letters received, which 12 should be included and should number accordingly**

Reminder: Even if a Pilgrim's spouse and/or children have not attended the walk, it is important that Pilgrims receive letters from them.

INSPIRATIONS FROM THE EDITOR:

THAT STILL SMALL VOICE

Have you ever been just sitting there and all of a sudden you feel like doing something nice for someone you care for...THAT'S GOD...He talks to you through the Holy Spirit.

Have you ever been down and out and nobody seems to be around for you to talk to...THAT'S GOD...He wants you to talk to Him.

Have you ever been thinking about somebody that you haven't seen in a long time and then next thing you know you see them or receive a phone call from them...THAT'S GOD...there is no such thing as "coincidence."

Have you ever received something wonderful that you didn't even ask for, like money in the mail, a debt that had mysteriously been cleared, or a coupon to a department store where you had just seen something you wanted, but couldn't afford ...THAT'S GOD...He knows the desires of your heart...

Have you ever been in a situation and you had no clue how it is going to get better, but now you look back on it...THAT'S GOD...He passes us through tribulation to see a brighter day..

In all that we do, we should totally give HIM thanks and our blessings will continue to multiply.
